PRECAUTIONARY BOIL WATER NOTICE - RESCHEDULED

To: Residents of Graycliff at Lucaya and Hamilton at Lucaya

There is currently a small leak in a service connection on the water main which requires repairs. The repairs will take place on October 17, 2018. As a precaution we advise that all water used for drinking, cooking making ice, brushing teeth, or washing dishes be boiled. A rolling boil of one minute is sufficient. As an alternative bottled water may be used.

This Precautionary Boil Water Notice will remain in effect until the problem has been corrected and a bacteriological survey shows that the water is safe to drink.

If you have any questions you may contact the District Manager at (239) 936-0913.
